VEHICLE IMPORTATIONS
FREQUENTLY ASKED QUESTIONS

1. Requirements for a Second Hand Vehicle Importation :
    - Vehicle must not be older 5 years from the first **date of manufacture**.
    - Original Logbook must be in the Importer's name.
      (If this is not accessible, either a **Notarised** Bill of Sale will be required between the buyer and owner. Both parties would need to be present on the day of Importation, and a CustomsOfficer will witness the Bill of Sale).
    - Proof of Residence (Gibraltar identification Card only)
    - Valuations carry a £54 admin fee.

2. Vehicle Exports: -
    - Registered owner of vehicle must complete an Export License at the Entry Processing Unit and bring the original Logbook.
    - Subject to £11 admin fee.
    - Vehicle can then be exported via the Land Frontier or Commercial Gate where the export license is required to be submitted over to a Customs Officer.
    - Please Note the vehicle has to be verified as 'seen out' under Customs supervision.
